on **the BACON BIKE!**

In 1995 I cooked my first strip of *Berryhill Bacon*. People loved that bacon back then. They loved it so much; I opened a restaurant and called it *BACON*. Who'd a thunk we'd be sellin over **8 TONS** of our **bacon each year**. That's a lotta bacon folks!

As of this past summer we've added packages to purchase of our top seller *Berryhill Bacon*...now you can take it home to cook yourself.

Of course we've gotten some pretty great media coverage, like *Travel Channel's 'Bacon Paradise 2'*, *Food & Wine Magazine's 'Best in the U.S.'* *Mack and Cheese*, *'GO THERE, EAT THAT'* on *ASY-TV*, *FSR Magazine* for our *FLIP* Concept, and more...

Well there is certainly a love for not just what we do at *BACON*, but for bacon itself. *BACON* was born for those who love bacon. It was born for you...and we really really thank for being a part of our history.

Cheers!

john berryhill
