In 1995 I cooked my first strip of *Berryhill Bacon*. People loved that bacon back then. They loved it so much; I opened a restaurant and called it *BACON*. Who'd a thunk we'd be sellin over **8 TONS of our bacon each year**. That's a lotta bacon folks!

We now have packaged/un-cooked *Berryhill Bacon* ta go...take it home and cook it yourself.

Of course we've gotten some pretty great media coverage, like *Travel Channel's Bacon Paradise 2*, *Food & Wine Mag's Best in U.S. Mack & Cheese*, **GO THERE, EAT THAT** on *ASY-TV*, *Best Bloody Mary*, *Best Breakfast Restaurant in Idaho*, and more...

There is certainly a love for not just what we do at *BACON*, but for bacon itself. *BACON* was born for those who love bacon. It was born for you...

I really thank you for being a part of our history. Cheers!
