In 1995 I cooked my first strip of *Berryhill Bacon*. People loved that bacon back then. They loved it so much; I opened a restaurant and called it *BACON*. Who'd a thunk we'd be sellin over **8 TONS** of our **bacon each year**. That's a lotta bacon folks!

Bacon makes everything taste better! Have you had **The MAC** yet? It's been awarded **Best in US** by *Food & Wine Magazine*. And our **Bacon Lasagna** is a star too, being seen around the world on *Travel Channel's Bacon Paradise II*.

There is certainly a love for not just what we do at *BACON*, but for bacon itself. *BACON* was born for those who love bacon, it was born for you...thank you for being a part of our history.
